PRINCE AS WAITER

MEXICO CITY, Mexico, March 8.—A Japanese prince worked one year as a waiter in a Mexico City restaurant.

A man will admit his wife may be wrong, or that his political party is wrong, but did you ever see one who would admit that his watch was wrong?

Artificial Wave Making Is Popular On U. S. Liners on the High Seas

Corner of Beauty Parlor on S. S. America

NEW YORK, March 8.—In these days of social activities on ship board it is as necessary for women passengers to pay as much attention to their aids to natural beauty as they do on land.

efforts of the ship's surgeons to cure them. As a result, the women passengers on these vessels are of the opinion that they are as necessary to the operation of the craft as the rudder.

The President Harding, President Roosevelt, America and George Washington boast beauty parlors that rival any of the most up-to-date establishments of their kind on land.

But the men are not neglected either. Every steamship carrying passengers nowadays has its barber shop, with one or more chairs, and these are as well patronized by the men as are those conducted for the women.

Though it is generally known that for years these barber shops have existed aboard passenger vessels, it is only very recently that beauty parlors have been installed on the big vessels.

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine.
